AREA63

FOR A BETTER WORKING DAY

# BIG IDEAS.
# USEFUL RESULTS.

## SOFTWARE BUILT AROUND YOUR BUSINESS.

Show us the copying, checking and chasing. Explore bespoke automation, calculate the time it could release and agree a tested result before payment.

## WEBSITES THAT DO SOMETHING.

Websites and online shops, CRM, bookings, calculators and product configurators. Try working business demos for shops, trades, hospitality and services.

## WINDOWS TOOLS TO EXPLORE.

Taxi Booking Studio · Desktop Book Keeper · Startup Office · B2B Contact Miner · Collection & Delivery Planner, including Carbon and GPS editions · Print Imposer Standalone & Server · Print Label Studio · Vector Form Designer · Raffle Ticket Printer · Area63 Downloads.
Free editions of Vector Form Designer and Raffle Ticket Printer are available.

## CREATE. PRINT. PASS IT ON.

Promo videos, radio adverts and downloadable leaflets. Ask about a printed run from our digital presses. Free Email Desk and Downloads utilities are there to discover, too.

Business services, software and paid extras have their own prices and terms.

## YOU FOUND IT. PASS IT ON.

Tell a friend. Show a colleague.

A handy find is even better shared.

AREA63

FOR YOUR AREA & YOUR BUSINESS

# DISCOVER LOCAL.
# GET DISCOVERED.

Your next customer could be exploring right now.

### A HIGH STREET YOU CAN EXPLORE.

Enter a postcode and discover a 3D town. Walk, drive, take a taxi or teleport to shops, specialist streets, Market Square and the Car Boot Market.

### A BETTER WAY TO GET FOUND.

Find local traders in the Directory. Businesses can start with a free basic listing and rotating shopfront, with paid upgrades for more detail or a fixed postcode presence.

### TURN HEADS. REACH EARS.

Radio advertising, script and voice production, directory promotion and promo videos help people discover your business.

### MUSIC FOR YOUR BUSINESS, TOO.

Explore background-music permissions, licensed downloads and the Windows player for schedules and announcements.
